Sun is the center of our solar system. Can you correctly label the eight planets that revolve around Sun?

PLANETS • Saturn • Earth • Mercury • Uranus • Jupiter • Mars • Venus • Neptune •

Three Cheers for Sun!

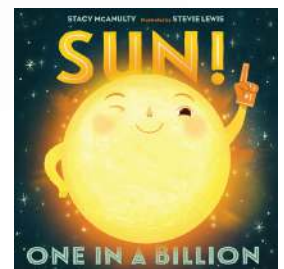

Sun, Sun, he's our star.
Light and heat from afar.

How many syllables are in each line of the sample cheer? Which words rhyme?
Can you write two new cheers for Sun?

Give me an **S**!
Give me a **U**!
Give me an **N**!

SUPER STAR

The Milk Way galaxy has over 100 billion stars, but Sun is the most important one to Earthlings. We owe a lot to our closest star. Write three statements about how Sun is important to life on Earth.

Star Power

Our Sun is one in a billion and deserves a medal! Wear Sun's medal and the friendship bracelets below to show your love for Sun!

Cut out the medal and tape it to your shirt, or attach a loop of ribbon or string and wear it around your neck.

Cut out the bracelets. Wrap around a wrist and tape to secure.
