ABOUT THE BOOK

Will you climb a hill with me?

Dive into a lake with me?

*Reach the starry sky with me,
and watch the clouds parade?*

Love can feel as vast as a sky full of breathtaking clouds or as gentle as a sparkling, starlit night. It can scale the tallest mountains and reach the deepest depths of the sea.

Standing side by side with someone you love, the unimaginable can seem achievable.

But not every magical moment is extraordinary. Simply being together is the best journey of all.
