

## **Raise Your Voice: *Until Someone Listens* Postcard Writing Campaign**

The below is suggested text for students to hand-write on the front of their postcard.

Don't forget to post photos on Twitter of students filling out their postcards with **#UntilSomeoneListens @MacKidsSL!**

### **Suggestion for front of postcard for older students:**

I ask that you consider making all possible efforts to reunite separated families by supporting policies for permanent citizenship that will allow them to stay in the place they call home.

### **Suggestion for front of postcard for younger students:**

Please support policies that keep families together.
