

### About the Book

Red is an oak tree who is many rings old. Red is the neighborhood "wishtree" – people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone

is welcoming, and Red's experiences as a wishtree are more important than ever. Funny, deep, warm, and nuanced, Wishtree is Newbery Medalist and New York Times-bestselling author Katherine Applegate at her very bestwriting from the heart, and from a completely unexpected point of view.
