

WHERE IS

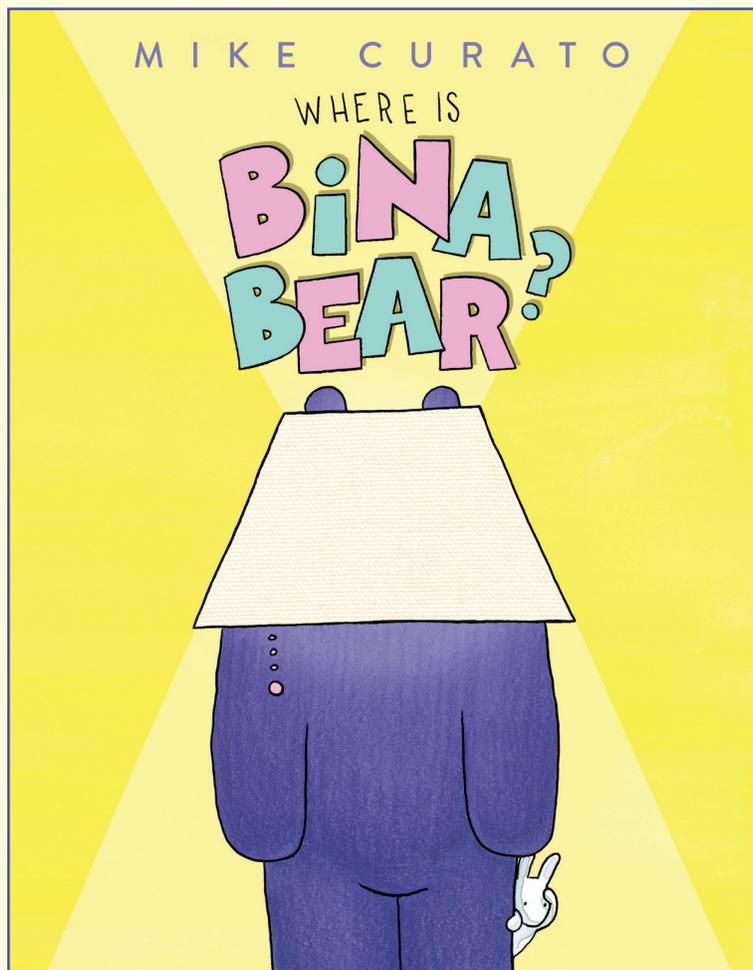

BiNA BEAR?

ABOUT THE BOOK

Tiny is having a party, but Bina Bear is nowhere to be found. Is that Bina hiding under a lampshade? It *looks* like Bina . . . but it must be a lamp. Is that Bina beneath the fruit bowl? It *could* be . . . but it's probably just a table.

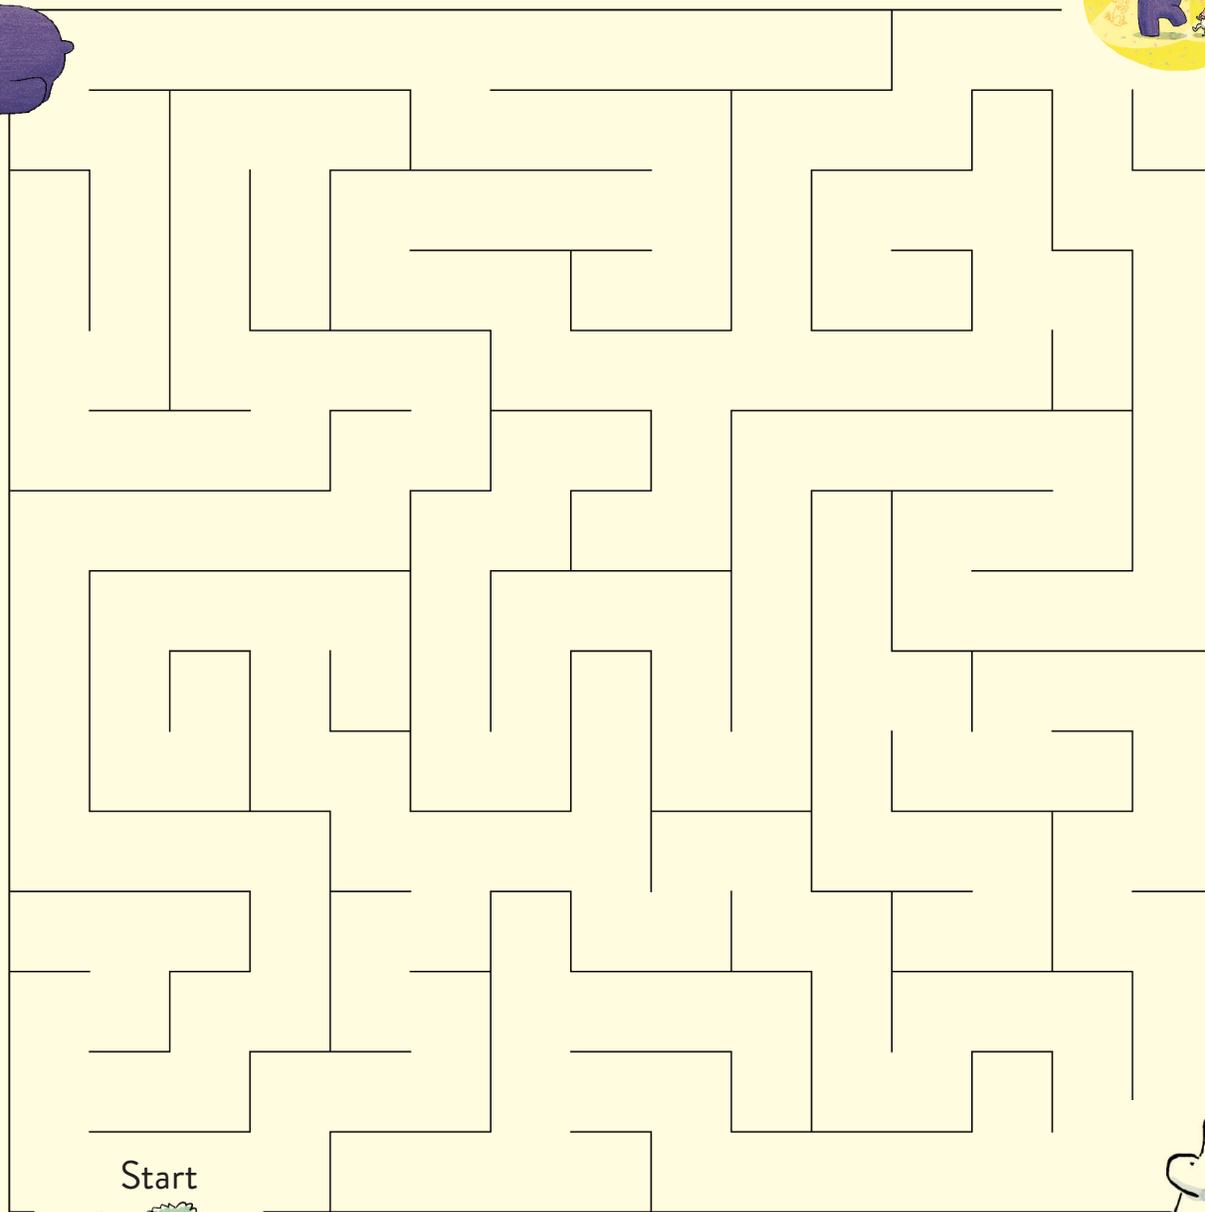

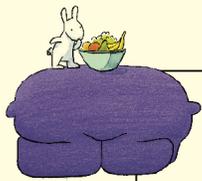

While searching for Bina, Tiny realizes something is wrong—and sets out to make it right. This is a humorous yet sincere picture book about friendship, understanding, and embracing our loved ones just as they are.

BINA BEAR MATCHING GAME

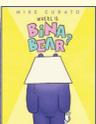

To play, have a grown-up help cut out all of the cards, mix them up, and lay them facedown. Taking turns, players flip over two cards. If the cards match, you have made a pair! Keep those cards. If they don't match, flip them back over and the next player gets a turn. When all the pairs have been found, the player with the most cards wins!
